Respectfully submitted,

In accordance with the Financial Assistant Secretary's order, the undersigned took up the work of bringing out the 4th Edition of the Mysore Service Regulations. 2. The new editing work consisted in bringing out a new edition out of the 3rd Edition with all the amendment issued from time to time. The ~~Press~~ matter had to be arranged and sent to the Press. Proofs had to be examined very closely and minutely (In fact the print order was conveyed on the 3rd proof and on the 4th proof in special cases). In cases in which no amendments had been issued on orders of Government varying the provisions of the Regulations ~~Government~~, the monthly Proceedings volumes had to be examined and the matter was submitted for orders. In this editing

It is usual everywhere to grant a bonus for bringing out a new Edn. In the Govt of India a Secretariat Officer is placed on deputation for the purpose. In Mysore in the last 8 to 10 have been paid as bonus. Recommend that a like bonus be sanctioned on the occasion one half on the publication of the Manual & the other half after the amendments suggested & a perusal of the 4th Edn of the Code have all been noted & rendered in the A & C Sales in consequence of the Orders & Circulars issued thereon & the work done by Mr. Bhashyakar.

My dear Bhashya Char,

Your letter of today about your application for some recognition on account of your work in connection with the M.S. Regns, and asking me whether you did not get through that piece of work in addition to your ordinary duties to hand.

I believe some part of the M.S. Rules ready when I came to work with you. As regards the rest, I know you did it in addition to your routine duties. I think, too, that

The Bonus was ordered to be ~~paid~~ to Bachyachaw. The draft on ~~your~~ this Agency Comptroller in his favour ~~was~~ never passed in this Case

2 The source from which his Expenditure is to be met is not given in the draft. It may be noted.

(I see his ~~is~~ pay has been proposed to meet his charge from the F & C. Contingencies. I don't see his Compensation for this.)

21/11

The Bonus has to be paid to H. H. Bhargavachandra Deshmukh. altered the wording to that prominence may be given to the fact of the Bonus having been awarded rather than the person who awarded it. To name the person perhaps to be invidious. Whereas other selected ~~some~~ persons have done equally well. Therefore

and the giving offit to a particular

I blame the person who be

As for the debit to Contingencies,
it has been stated that the proper head here is a distinct
head under Locusts and it
should be appropriated
from & to all Contingencies where
there is available Credit and
if there is nothing a Spl addl Grant
for the Locusts here. I have
added a paragraph to make this clear.
